

Black Youth Career Police Academy

“Surround yourself with only people who are going to lift you higher.” Oprah Winfrey

Kids entering 7th or 8th grade this fall, with an interest in law enforcement, are encouraged to apply for the first annual Black Youth Career Police Academy taking place at the Boys and Girls Club of Dane County from

This youth academy's mission is to provide students an interactive introduction to police work with real police officers as their teachers and mentors. The classes offered cover important skills not only necessary for law enforcement, but for any profession. Class sizes will be small and officers will have time to make meaningful connections with students.

The Youth Academy is free and students will receive a t-shirt, class supplies, and a daily lunch and snack.

- Hiring Process
- Wisconsin State Statutes
- 4th Amendment Rights
