Quick Facts

The 2011/2012 Integrated Community Development Program for the Robit Village in the Debir Zuria kebele consists of health, water, education, and micro-finance projects and benefits the kebele's population of nearly 12,000 people. The program also included widespread community education on hygiene and sanitation that also included training for water project caretakers.

Program Objective:

Improve the well-being and quality of life of the people living in Robit and the Debir Zuria kebele by providing the community access to quality education, safe protected water, hygiene and sanitation training, increased access to professional health services, as well as viable loans and loan management training.

Area Facts:

- Country: Ethiopia
- Region: Amhara
- District: Dembia
- Kebele: Debir Zuria
- Village: Robit

In Country Implementation Partner:

- Organization for the Rehabilitation and Development in Amhara (ORDA)
